

# Vision Expert Ultra

**Concentrated windscreen washer  
for ALL SEASONS**

**Super cleaner**

## TYPE OF USE

Suitable for all vehicle windscreen washer systems. Recommended for head lights washers.

## PERFORMANCE

All seasons windscreen washer, super cleaner.  
CONCENTRATED product to allow dilution adjustment in function of required protection.  
To be diluted with water according to the desired freezing protection (see table).  
Exclusive formula: cleans and degreases efficiently the windscreen to enhance visibility.  
Effectively removes insect's streaks.  
Dries leaving no mark for a better visibility.  
Methanol-free formulation. Neutral for rubber and paints.  
Respect the windscreen wiper rubber blades and prevent scale from forming.  
Pleasant green apple smell.  
Anti-freezing protection for washer system and tank up to -45°C / -49°F.

## RECOMMENDATIONS

Mix MOTUL Vision Expert Ultra with demineralized water directly into the washer tank according to the desired freezing protection, see table below:

<b>VISION EXPERT ULTRA</b>	<b>FREEZING PROTECTION</b>
<b>%</b>	<b>T°C / T°F</b>
100 %	-45°C / -49°F
66 %	-30°C / -22°F
50 %	-20°C / -4°F
33 %	-10°C / 14°F
25 %	-5°C / 23°F
5 %	0°C / 32°F

Can be mixed with other same type products.  
Store in original packaging.
