

TRD Sport Gear Oil 75W-140

**Racing lubricant for limited slip differential
integrated in the gearbox or not.**

100% Synthetic – Ester based

TYPE OF USE

TRD Sport Gear Oil 75W-140 is a 100% synthetic extreme pressure lubricant endorsed by TOYOTA RACING DEVELOPMENT (TRD). It was developed from the collaboration between TRD and MOTUL.

It is specially formulated to provide smooth gear shift together with the wear prevention in the gear box under both normal and severe conditions, such as on the circuit or trailer towing. The application of the product covers manual transmission with or without synchronizing, transfer gearbox and differential gearbox with or without mechanical LSD.

Very good low temperature fluidity in conjunction with the high temperature oxidation stability and extreme pressure performance.

PERFORMANCE

STANDARDS API GL-5

Efficient anti-wear protection; better resistance at high temperature.

RECOMENDATIONS

Oil change: According to manufacturers' requirements and adjust according to your own use.

PROPERTIES

Colour	Visual	Blue
Viscosity grade	SAE J 306	75W-140
Density at 15 °C (59 °F)	ASTM D1298	0.906
Viscosity at 40 °C (104 °F)	ASTM D445	170 mm ² /s
Viscosity at 100 °C (212 °F)	ASTM D445	24.7 mm ² /s
Viscosity index	ASTM D2270	178
