

MOTO WASH

Biodegradable Degreaser Spray for Cleaning External Surfaces of Motorcycles

Part of MOTUL MC Care External Care Line

APPLICATION

MOTUL Moto Wash is a powerful biodegradable degreaser for the entire motorcycle.

-Suitable for all types of motorcycles, ATVs, UTVs, etc.

-Use on all surfaces: Plastic, synthetic fabrics, paintwork, varnish, metal, etc.

-For use at Motocross races where BIODEGRADABLE products are especially recommended by the organizers.

PERFORMANCE

- Efficiently removes all traces of grease, dust, soil, mosquitoes, brake pad residues, etc.
- Dries evenly.
- Leaves a dry anti-corrosion film.
- Protects paintwork and varnish.
- Biodegradable: MOTUL Moto Wash is environment friendly. Biodegradable in 23 days at 99% (inherent biodegradability and ultimate biodegradability) according to OCDE 302B method.

RECOMMENDED USE

For a perfect finish, regularly use specially formulated MOTUL MC Care products to clean and protect all external surfaces of the motorcycle.

1. Spray MOTUL Moto Wash generously all over the whole motorcycle using the "wide jet" position on the nozzle.
2. Allow to work for a few minutes.
3. Rinse with water or pressure washer.
4. For very dirty parts, repeat the operation using the "directed jet" position on the nozzle and rub with a sponge or a rag.
5. Use a soft cloth to obtain a perfect finish.

For best results, do not use MOTUL Moto Wash in direct sunlight or on hot surfaces.

SECURITY & SAFETY PRECAUTIONS

Refer to the information mentioned on the label and on the MSDS sheet.

Product No. 103253
