

**MOTUL[®]**

Leather Clean

Outstanding leather cleaner & degreaser

Cream in bottle

TYPE OF USE

MOTUL[®] Leather Clean is a nourishing cleansing cream for all type of leather.

Based on vegetable oil and coconut soap, enriched with vitamin E to prevent discoloration and drying of the leather.

Non-greasy oil free formula, colorless and odorless.

PERFORMANCE

MOTUL[®] Leather Clean is an outstanding cleaner and degreaser that cleans, nourishes and revives all types of leather encountered on cars.

Protects against external aggressions (rubbing and discoloration).

Waterproof effect and UV protection.

Extends life duration of the leather.

Can be used on jackets, pants, gloves ...

RECOMMENDATIONS

Shake MOTUL[®] Leather Clean before use.

Apply a small quantity of product on the surface to be treated using a soft, clean cloth.

Allow to dry for a few minutes, then polish the surface with a clean soft cloth in circular motions.

Renew the operation on difficult areas if necessary.

Pre-test on a discreet part.

DO NOT USE under direct sunlight or on hot surfaces.

CAUTION: Do not use the product on vinyl.

SECURITY

Refer to the MSDS sheet and the information mentioned on the bottle.
