

**MOTUL[®]**

Cotton Chenille Wash Mitt

2-sided washing mitt for car body

All exterior surfaces of automobile

TYPE OF USE

MOTUL[®] Cotton Chenille Wash Mitt allows the cleaning and polishing of the car body thanks to its high quality cotton without the risk of micro scratches.

Gently cleans the entire body without leaving traces and scratches thanks to its two-side glove.

PERFORMANCE

Thanks to its soft fibers, MOTUL[®] Cotton Chenille Wash Mitt is non-aggressive for bodywork and does not attack paints, plastics and varnishes.

It allows to gently clean the bodywork without leaving traces thanks to its two sides.

MOTUL[®] Cotton Chenille Wash Mitt is machine washable up to 30°C. For an extended lifespan and many uses, prefer washing at low temperature.

RECOMMENDATIONS

Rinse MOTUL[®] Cotton Chenille Wash Mitt frequently with clear water during use to remove any residues and contamination.

Machine washable up to 30°C.

SECURITY

Refer to the MSDS sheet and the information mentioned on the mitt.
